

Year 10 business trip to Leeds Trinity & All Saints

As part of the Global Entrepreneurship Week, our year 10 GCSE Applied Business students were invited to attend an enterprise/apprentice event.

The event was hosted by Claire Young (The Apprentice finalist 2008), with help from business mentors who are current Leeds Trinity students.

Working alongside two other schools, the students had to produce an innovative sports product. In true Belle Vue Girls' style, our girls stood out from the crowd, with students Mehreen Iqbal and Ansa Khan both walking away with the winning product and business plan!
